Second Million Dollar Gift for Fitchburg Library!

The Fitchburg Library Capital Campaign Committee, together with the Madison Community Foundation, announced an anonymous gift of a \$1 million challenge match for the public portion of the Fitchburg Library Capital Campaign. The challenge gift means that for every \$2 donated during this phase of the campaign, a \$1 will be added from this gift. The match period begins February 1, 2010 and ends December 31, 2011.

"We are thrilled to have this challenge match to provide such terrific momentum this early in the campaign," said Marykay Zimbrick, co-chair of the campaign committee.

An anonymous donor through the Madison Community Foundation provided the challenge. "This is a great example of how the Madison Community Foundation facilitates philanthropy throughout Dane County," said Kathleen Voit, President of the Foundation. We love

libraries and are very pleased to have the opportunity to help this campaign."

This is the second \$1 million gift made to the Fitchburg Capital Campaign. Promega Corporation and Bill and Mary Linton made the initial pledge. The total capital campaign is for \$4 million.

The 38,000 square foot civic library will be built using green building practices and be located on the current civic campus in Fitchburg Center, at the corner of Research Park Drive and Lacy Road. Features presented include a geothermal heating system, underground parking, a reading garden, and a technology center.

Donations can be made directly to the Capital Campaign or through the Madison Community Foundation.

A ground breaking event is scheduled for April 12th, and the library doors are projected to be open in July of 2011.

14 South Artists Art Show at Fitchburg Community Center

The artists alliance known as the 14 South Artists will hold its 3rd annual Spring Art Show at the Fitchburg Community Center, 5520 Lacy Road, on Saturday, April 24 and Sunday April 25.

The year's event will again be held on two days due to the tremendous success of the show in 2009. Scheduled hours are 9 a.m.- 4 p.m. each day and will cover two floors making room for the 40 artists featured this year.

Highly skilled artisans from the Alliance will display a wide variety of quality fine art. Categories include painting, photography, pottery, sculpture, jewelry, glass art, woodworking, fiber arts, etc.

The artists featured reside in the suburbs and small towns south of

Madison along Highway 14. This is a wonderful opportunity for event goers to support local art in a convenient location for residents of Fitchburg and Madison and the surrounding communities.

Foggy Dawn by Ralph Stromquist, one of the featured artists from Oregon, Wisconsin.
